As this post involves unsupervised contact with children at times, all applicants must submit to a criminal records check before the position can be confirmed. As the position is exempted under the Rehabilitation of Offenders Act, this check will reveal any details of cautions, reprimands, or final warnings, as well as formal convictions. This process is subject to a strict code to ensure confidentiality, fair practice and security of any information disclosed. It is stressed that a criminal record will not necessarily be a bar to appointment, only if the nature of any matters revealed could be considered to place children at risk.

*I confirm that the submitted information is correct and complete. I agree to have a CRB check done and to attend all of the necessary child protection training meetings .I also agree to attend ongoing training sessions as required by my ministry leader.*
